Who are Southam Financial Planning Ltd

We operate from high street premises in the market town of Southam in Warwickshire. Neil Goldie, who is the authorised adviser and joint owner of the practice, has over 30 years' experience in the Financial Services industry, 25 of which as an Independent Financial Adviser.

We provide impartial advice across most areas of financial planning, including investing for growth or income, pre and post retirement planning, inheritance tax planning, investing and saving in tax efficient investments such as ISA's and Pensions and saving for school and university expenses. We also provide advice on the 'what if insurances' such as protecting your income in the event of accident or illness, life assurance and critical illness cover. We advise individuals and small to medium size companies.

Our advice is impartial, personal & professional. We never lose sight that your best interests are aligned with ours! In an age of the internet and faceless organisations we have built a successful business through person to person relationships, what you see is what you get, and mutual trust is built up over several years knowing everything we do is meant in our client's best interests. There are occasions when things do not go quite to plan but we are here to try and assist/support and guide you to a better outcome.

As financial products and investments get more sophisticated the need to have unbiased appraisals and professional advice becomes even more important. This is especially so when dealing with the new Pension Freedoms Retirement options and the changing needs of the ageing population.

'We never lose sight that your best interests are aligned with ours'

Our Passion and Beliefs

Our passion and beliefs help create our philosophy on how we aim to provide the best possible support to help meet your financial objectives. We work on a modular basis because we believe it enables us to build, maintain and manage our business processes in the best manner.

Everything we prepare, and construct is designed to meet The Financial Conduct Authority's (FCA's) expectations which are communicated to Southam Financial Planning Ltd. via regular updates and guidance notes. The guidance from the FCA is designed to ensure we follow best practice, keep up to speed with developments and maintain our robust process which helps us deliver good client outcomes.

Modular Propositions

We have three propositions which we monitor on a regular basis.

Client Proposition: Designed to help make sure we provide value for money, keep you informed and meet your goals

Investment Proposition: We use this, so we can agree an investment strategy. We source and use investment funds whose aim is to provide returns comparable to the risks you are willing and able to take. In addition, we use respected industry software from Dynamic Planner which helps makes sure you do not take too much or too little risk.

Supplier Proposition: Our robust due diligence process helps us decide that the products we use when investing your money are the ones most suitable for you.

All this means nothing if it is out of date, so we make sure that we regularly look at all three propositions and make adjustments and changes if required. This is especially true of our Investment Proposition.

Who are we authorised by?

Southam Financial Planning Ltd is authorised and regulated by the Financial Conduct Authority. The Financial Conduct Authority (FCA) regulates financial services in the UK and you can check our authorisation and permitted activities on the Financial Services Register by visiting the FCA's website www.fca.org.uk/firms/systems-reporting/register or by contacting the FCA on 0800 111 6768.

What services do we offer?

Southam Financial Planning Ltd can act on your behalf in advising you on investments and non-investment insurance contracts. We offer products and services as follows:

Investments - we offer an Independent advice service. We will recommend investments based on a comprehensive and fair analysis of the market. We will place no restrictions on the Investment Markets we will consider before providing investment recommendations, unless you instruct us otherwise. We will however only make a recommendation when we know it is suitable for you.

Non-investment protection contracts - we are an intermediary and will act on your behalf when providing advice and making our personal recommendation(s) to you. We will do this based on a fair analysis of insurers for term assurance, income protection and critical illness.

Your aims and objectives

Unless we notify you in writing to the contrary, we will be treating you as a "retail client" for investment business and a "consumer" for insurance business. This means that you are afforded the highest level of protection under the regulatory system and should have the right to take any complaint to the Financial Ombudsman Service.

Any advice or recommendation that we offer to you, will only be given after we have assessed your needs and considered your financial objectives and attitude to any risks that may be involved. We will also consider any restrictions that you wish to place on the type of products you would be willing to consider.

With very few exceptions, we will confirm to you in writing the basis of our recommendations along with details of any special risks associated with the products recommended.

Full details of the products we recommend to you including, for example, the minimum duration of the product, information on your right to cancel or whether no right to cancel exists, and any other early termination rights and penalties, will be covered in the relevant product disclosure information you will receive before conclusion of any contract.

We will issue any documentation and recommendations and any other communication to you in English (unless agreed otherwise).

We may also, on occasion, advise on other financial products which are not regulated by the FCA under the Financial Services and Markets Act 2000. The Financial Services Compensation Scheme does not apply to any of these products.

Our Ethical Policy

We are committed to providing the highest standard of financial advice and service possible. The interest of our clients is paramount to us and to achieve this we have designed our systems and procedures to place you at the heart of our business. In doing so, we will:

- be open, honest and transparent in the way we deal with you;
- not place our interests above yours;
- communicate clearly, promptly and without jargon;
- Seek your views and perception of our dealings with you to ensure it meets your expectations or to identify any improvements required.

Our Investment Services and Costs

We provide you with an initial consultation for £25.00 (waived if financial review and options takes place). If you choose not to proceed to financial review and options, you will receive an invoice for £25.00. The purpose of the initial meeting is to help us to understand your financial objectives and will confirm how we can support you in working towards these. We will also discuss the cost, and levels, of our services both initially and throughout our relationship with you.

We charge our services by way of a fee. These fees are based on a percentage of the amount you invest and whether it's a review or implementing. The charges listed below are for the following, some of which we will undertake for you

1. Financial review and options
2. Implementation (lump sums and transfers)
3. Implementation (regular contribution savings or investment)
4. Ongoing Reviews and Changes to Existing Investments

1. Financial Review and Options

This can be a continuation from the initial discussion, where agreed, or a further appointment. This process covers the:

- preparing a summary of recommendations based upon your personal circumstances
- preparation of our recommendations to you
- arranging a second appointment to explain and discuss our recommendations in detail.

Charge

Our charge for the financial review and options is a fixed fee of £526.00
(Based on 4.5 hours at £117 per hour)

This fee will be waived wholly or in part should you decide to implement any of our recommendations.

However should you decide not to implement any of our recommendations you can pay this directly following receipt of our invoice.

2. Implementation (lump sums and transfers)

Should you instruct us to proceed with any of our recommendations we will act for you in the following ways

- handle all fund and policy administration on your behalf;
- provide regular updates to keep you informed of progress;
- ensure all your documents are issued in line with your expectations;
- provide confirmation of all actions taken on your behalf in writing.

This payment can either be taken from your investment upon receipt by the policy provider or paid directly by you. Where we receive such a payment we will waive our 'financial review and recommendation' fee by the same amount.

Charge

For implementation of lump sums and transfers the charges are:

- Up to £40,000 : 3.0%
- Then £40,001-£150,000 : 2.0%
- Then £150,001 plus : 1.0%

Subject to a minimum of : £977

You can pay this directly, or by deduction from the policy once the policy commences. On receipt of this payment we will waive our 'financial review and recommendation' fee by the same amount with any balance falling due at the same time.

Example 1

If we arrange an investment on your behalf for £230,000 our Implementation fee would be £4,200 ($£40,000 \times 3.00\% + £110,000 \times 2.00\% + £80,000 \times 1.00\%$). As this is more than the 'financial review and recommendation' fee of £526 and more than the minimum of £977 no other charge would be applied. The total fee payable would be £4,200.

Example 2

If we arrange an investment on your behalf for £15,000 our Implementation fee would be £450 ($£15,000 \times 3.00\%$). As this is less than the 'financial review and recommendation' fee of £526 and less than the minimum £977 an additional charge of £451 would be applied. The total fee payable would be £977.

Example 3

If we arrange an investment on your behalf for £500,000 our Implementation fee would be £6,900 ($£40,000 \times 3.00\% + £110,000 \times 2\% + £350,000 \times 1.00\%$). As this exceeds the 'financial review and recommendation' fee of £526 and the minimum of £977 no other charge would be applied. The total fee payable would be £6,900.

3. Implementation (regular contribution savings or investment)

Should you instruct us to proceed with any of our recommendations we will act for you in the following ways

- handle all fund and policy administration on your behalf;
- provide regular updates to keep you informed of progress;
- ensure all your documents are issued in line with your expectations;
- provide confirmation of all actions taken on your behalf in writing.

This payment can either be taken from your investment upon receipt by the policy provider or paid directly by you. Where we receive such a payment we will waive our 'financial review and recommendation' fee by the same amount.

Charge

Our charge for implementing a regular contribution savings or investment plan is :

- ISA / Collective regular contribution – £600
- Pension regular contribution – £900

You can pay this directly, or this can be deducted by instalments from each monthly contribution over 12 months on commencement of the policy. On receipt of this payment we will waive our 'financial review and recommendation' fee by the same amount.

Example 1

If we undertake an ISA regular contribution on your behalf, the charge for this would be £600. As this exceeds the 'financial review and recommendation' fee no other charges would be applied. The total fee payable would be £600.

Example 2

If we undertake a Pension regular contribution on your behalf, the charge for this would be £900. As this exceeds the 'financial review and recommendation' fee no other charges would be applied. The total fee payable would be £900.

If taken from your investment upon receipt by the policy provider

12 payments will be deducted from month 1 to month 12, and if there is any balance this will be paid directly by you at the start of your policy.

Example 1

If your monthly contribution to your ISA is £1,000 our implementation fee would be £600. This will be collected by deducting £50 ($£600 / 12$) from each monthly contribution for months 1 to 12.

Example 2

If your monthly contribution to your Pension is £250 our implementation fee would be £900. This will be collected by deducting £175 ($£900 / 12$) from each monthly contribution for months 1 to 12.

Should you decide to pay this charge through your policy and payments to the policy subsequently cease, we will calculate the total payments received to date and charge you the balance against the 'financial review and options' fee.

Example 1

If your monthly contribution to your ISA is £100, we will deduct £50 from each monthly contribution until paid in full. Should payments cease after month 6 (and £300 has been collected) the difference between this and 'Implementation of a regular contribution for an ISA' fee of £600 would be charged i.e. £300.

Non-Investment Protection and General Insurance contracts

When we arrange the sale of a protection or insurance contract, we will not charge you a fee, as we will receive a commission from the provider/insurer. The amount of this will be disclosed to you in the product literature.

4. Ongoing Reviews and Changes to Existing Investments

We will discuss the full range of our on-going services during our initial consultation. These services include, but are not limited to, providing you with:

Where we agree to provide ongoing services you can choose to cancel this at any time by providing us with written confirmation of your decision. Payments would then cease within 7 business days or after collection of any due proportion of any period charges if later. The charges listed can be deducted from your investments or paid directly by you.

Financial Planning Service	: 0.5% / Review Frequency: annually / minimum £495 pa
Wealth Management Service	: 0.5% / Review Frequency: 6 monthly / minimum £990 pa

5. Protection Services and Costs

Similar to our investment services above, we will provide you with a personal and financial review prior to making our recommendation(s) to you. Should you accept our recommendation(s) we will arrange the implementation of this/these for you. The reasons for our recommendations will also be provided to you in a written report.

We do not charge a fee for our protection services as we will normally receive commission from the policy provider. You will not be subject to VAT for this service.

Cancellation rights

In most cases you can exercise a right to cancel by withdrawing from the contract. In general terms you will normally have a 30 day cancellation period for a life, pure protection, payment protection or pension policy and a 14 day cancellation period for all other policies.

For pure protection policies the start of the cancellation period will normally begin when you are informed that the contract has been concluded or, if later, when you have received the contractual terms and conditions. In other cases, the cancellation period will begin on the day the contract is concluded or, if later, the day on which you receive the contractual terms and conditions. Instructions for exercising the right to cancel, if applicable, will be contained in the relevant product disclosure information which will be issued to you.

If you cancel a single Contribution contract, you may be required to pay for any loss you might reasonably incur in cancelling it which is caused by market movements. This means that, in certain circumstances, you might not get back the full amount you invested if you cancel the policy.

All policy documents will be forwarded to you as soon as practicable after we receive them. If there are a number of documents relating to a series of transactions, we will normally hold each document until the series is complete and then forward them to you.

We prefer our clients to give us instructions in writing, to aid clarification and avoid future misunderstandings. We will, however, accept oral instructions provided they are confirmed in writing.

Material Interest

We will act honestly, fairly and professionally known as conducting business in 'Client's best interest' regulations. Occasionally situations may arise where we or one of our other clients have some form of interest in business transacted for you.
